

# NEW FOREST BEACH HUT OWNERS' ASSOCIATION

## Calshot

New Forest Beach Hut Owners Association (NFBHOA) was formed in 1995 to represent to NFDC the views of Members at Calshot, Barton-On-Sea, Hordle Cliff and Milford-On-Sea. This notice board has been provided by New Forest District Council (NFDC) to enable better communication with our Members, other beach hut owners and beach users in general. The beach huts are privately owned and except for those on Cadland Beach, an annual Site Rental is paid to NFDC who own the land. More information can be found on our web site: [www.newforestbeachhuts.com](http://www.newforestbeachhuts.com) also accessible by scanning this QR code.

Annual membership of NFBHOA costs £5 and membership forms can be obtained from committee members or an application can be completed directly on the Membership tab of the Association's website.
