

NEW FOREST BEACH HUT OWNERS' ASSOCIATION

Calshot

This board has been provided by New Forest District Council (NFDC) to enable better communication of information to our Members, other beach hut owners and beach users in general. We are hoping that as well as useful information there will be regular updates on current news and forthcoming events. The beach huts are privately owned and except for those on Cadland Beach, an annual Site Rental is paid to NFDC who own the land. Even more information can be found on our new web site: www.newforestbeachhuts.com

New Forest Beach Hut Owners Association (NFBHOA) was formed in 1995 to represent to NFDC the views of Members at Calshot, Barton-On-Sea, Hordle Cliff and Milford-On-Sea.

The committee of NFBHOA meet with NFDC Coastal Team, usually once or twice a year and hold 3 or 4 internal committee meetings. NFBHOA also holds an AGM in April each year. Annual membership of NFBHOA costs £5 and membership forms can be obtained from committee members or completed directly on the website:

Police Officers from the Waterside Neighbourhood team are urging beach hut owners and visitors to call them on **101** to advise of any damage to huts or other anti-social incidents. When you call 101 you are likely to be asked for a post code which, for Calshot Beach, is **SO45 1BR**. Please also report ALL minor incidents to A/PS Andy Smith, email: andrew.smith@hampshire.pnn.police.uk or PCSO Charlie Hampton, email: charlie.hampton@hampshire.pnn.police.uk. Crimes in progress should still be reported by calling **999**. There is an emergency phone opposite the back of Stanswood Beach Rescue which can be used for 999 calls only.
