## Covid-19 Special Newsletter 2021

### National Lockdown

As you are no doubt aware, the Prime Minister has announced the need for tougher coronavirus lockdown restrictions.

The key message is:

**Stay at home - Protect the NHS - Save lives**

The newly announced restrictions are a legal requirement which can be enforced.

So, what does this mean for beach hut owners at Calshot?

In the light of these new measures, you should **not** be using your beach hut during this latest lockdown period. Hut owners and visitors are permitted to travel, only locally, to public places for exercise but not for recreation or leisure activities such as a picnic or a social meeting. Government guidelines specifically mention beaches as public places where exercise is permitted.

You may only exercise once per day on your own, with members of your household or support bubble. Exercise with one other person from outside your household or bubble is also permitted provided 2 metre social distancing is observed.

Visitors and hut owners all need to adhere to these new rules. Only by following them will we be able to eventually return our lives to some sort of normality.

Please do **your** bit to keep everyone safe!

Pauline Haden
